OUR CUSTOMERS ARE EARNING VALUABLE GIFT CARDS
FOR SUPPORTING OUR TOP
MANUFACTURERS.

**PROFESSIONAL SERVICE, FAST DELIVERY,
AND GREAT REWARDS!**

EARN JK BUCKS AND RECEIVE GIFT CARDS FROM THESE POPULAR STORES

Here is how it works:

Each month J.K. will run specific products that you will earn JK Bucks on when you purchase them. At the end of the month, we will supply a computerized list of the products you purchased and the JK Bucks you earned along with a JK Bucks statement showing what you have in your JK Bank. You can redeem them right away or save up until you are ready. JK bucks not redeemed within 12 months will be forfeited.

Minimum JK Bucks redemption is \$25.00. See your J.K. salesman for redemption forms and details.

I understand that my account must be kept current to participate in this program. I further understand that JK Bucks have no cash value and cannot be deducted from any payments on my account. They can only be redeemed for the Gift Cards listed above or if I request a Gift Card from another source, I understand that J.K. will make a reasonable effort to get them, but may limit my redemption to the Gift Cards above.
